NGOUMI MAHATANG Lorelle

Engineering Student

Application: Part-time Weekend Student Job (Sales, Customer Service, Preparation)

Toulouse, France | +33 7 80 80 65 92 | lorelngoumi@gmail.com
linkedin.com/in/lorelle-ngoumi

PROFILE

Organized, rigorous, and versatile engineering student seeking a weekend student job (Saturdays and Sundays). My experience in retail sales, customer reception, and advisory services—both online and in-store—has equipped me to work independently, remain calm and welcoming during peak hours, and integrate seamlessly into close-knit teams. Available immediately.

AVAILABILITY

Every Saturday and Sunday, from 7:00 AM to 9:00 PM (mornings or afternoons), including public holidays. Available full-time during academic holidays.

WORK EXPERIENCE

Digital Customer Service & Sales Representative **2023 – 2026**

Retail and Sales, Cameroon

- Welcomed customers with a smile, providing personalized advice and assistance both in-store and online.
- Managed sales, checkout procedures, and customer loyalty programs.
- Arranged and maintained attractive product displays in-store.
- Demonstrated versatility: handled sales, cash registers, order tracking, and sales monitoring using digital tools.

Mathematics and Computer Science Teacher **2023 – 2025**

Intelligentsia Corporation, Yaoundé, Cameroon

- Independently led sessions for final-year high school classes with rigorous preparation and organization.
- Demonstrated punctuality, a strong sense of responsibility, and adaptability to individual student needs.

AI Engineering Intern **March – August 2026**

Valione Services, Yaoundé, Cameroon

- Collaborated with a team on a Microsoft 365 management application.
- Showcased rigor, autonomy, deadline adherence, and initiative in a demanding professional environment.

IT Intern **February – August 2025**

MINEPAT, DGEPIP, Yaoundé, Cameroon

- Collected and processed data for administrative assignments.
- Maintained team spirit and strict compliance with internal procedures.

SKILLS & SOFT SKILLS
